Profile

I am an enthusiastic and detail-oriented recent graduate with an Advanced Diploma in Information Technology from NMU as well as a PGCE from NWU. I am eager to launch a career in IT and apply the knowledge gained through coursework and hands-on projects. I am self-lead, with quantitative reasoning skills and critical thinking skills. I am a fast learner with a passion and solid foundation in PHP, React JS, JavaScript, HTML5 and CSS3.I am capable of managing complex tasks and navigating tech ecosystems. I believe I have excellent problem-solving and communication skills developed through collaborative projects and academic coursework. I am committed to contributing positively to a dynamic IT team and gaining real-world experience in the field.
